TYLDESLEY LODGE BLUEGRASS & COUNTRY MUSIC SOCIAL EVENING

**PIE AND
PEAS**

The Britannia Band are back again with their second cd. This time its a selection that represents their live gigs - mostly old favourites like the title track "Footprints in the Snow" with a few more modern songs thrown in. Once again, we have our artist in residence, Barry, to thank for the original watercolour on which the artwork is based and also Jean for the cups of tea which helped us through the recording sessions.
