16th October 2011

To Secretaries of Lodges
and Scribes E of Royal Arch Chapters
in the Chorley & District Group

Dear Sir and Brother / Companion

This is a very important communication. Please ensure that its contents are made available to all members of your lodge / chapter at the earliest opportunity.

At the meeting of Provincial Grand Lodge in May 2012, W.Bro. Allan Farrington, P.Pr.J.G.W. will retire from the post of Local Care Officer, a role he has fulfilled with great distinction since 2004.

The R.W. Provincial Grand Master has asked me to make known that he intends to appoint a successor to W.Bro. Farrington and to have the new Local Care Officer in post by early 2012. This will enable the successful applicant to work alongside W.Bro. Farrington for a time and benefit from his vast experience.

Applications are invited from suitable brethren / companions, who should study the attached job description before deciding on whether to apply for the post. The description is not meant to cover every eventuality, but will provide those interested with sufficient information on which to base a decision to apply. In the first instance, those interested should submit a C.V., masonic and private, together with any other relevant information to the Group Chairman, either in writing or by email. If appropriate a shortlist of applicants will be invited to an interview.

All applications must reach the Group Chairman by 30th November 2011, to allow sufficient time for the short listing and interview procedures.

I do hope that several of our brethren / companions will offer themselves for consideration for this vital role within the Provincial system of care.

Sincere fraternal regards

John Robson, Group Chairman
